

# IN-SIDERS

An advanced learning cohort  
for experienced DEI leaders

Diversity, Equity, and Inclusion dynamics are rapidly evolving, and as the complexity of this work continues to grow, we must develop innovative solutions to support and sustain our most impactful leaders. IN-SIDERS is designed for experienced Chief Diversity Officers working inside organizations to advance strategic capabilities, navigate intricate culture-shaping challenges, enrich organizational effectiveness, and enhance their ability to lead transformational change.

## What you'll gain

IN-SIDERS gives you access to a unique set of benefits unlike any other DEI program:

- A kindred community - regular and meaningful connection points with accomplished DEI leaders at similar advanced stages of the journey
- Strategic space - structured time to examine new research and reflect on relevant strategies to address increasingly complex DEI challenges
- Collective intelligence - experiential wisdom, proven best practices, tested solutions, and highly recommended tools that bring true value
- Thought partnership - outside perspective and decision-making support for specific issues
