

Angela Cooper

DEI Thought Leader
Culture Strategist
Keynote Speaker

A former Chief Diversity Officer in Corporate America, Angela Cooper has over two decades of business experience leading change and evolving cultures in healthy ways. As the founder of Mindpower Strategic, she now serves as a thought partner and change architect for forward-thinking business leaders who are invested in people-centered strategies.

Angela offers a variety of culture-shaping solutions. Her signature keynotes and empowerment labs equip audiences to channel their energy, activate their values, and unleash their potential.

Harness Your Power

Activate your full potential as a changemaker.

Power. Is it something reserved for a special few, or is it available to all of us?

Invisible power dynamics are at play all around us, and the concept of power is vastly misunderstood. The truth is, we need power to make things happen, and learning how to empower ourselves is essential if we want to lead any kind of change for good.

This thought-provoking and energizing keynote covers:

- Common misconceptions about power, and the truth about what it really is
- The simple formula that allows you to uncover hidden power dynamics
- How to discover the power sources you may not realize you have
- Tactics to help you maximize your personal power and elevate your impact
