

Angela  
Cooper

Keynote Speaker  
Culture Strategist | DEI Consultant

As the CEO, Founder and Principal Consultant of Mindpower Strategic, Angela Cooper helps organizations shape cultures that empower, engage, and energize people.

Cooper has over 20 years of experience evolving business environments in ways that help everyone thrive. As the inaugural Chief Diversity Officer at Mutual of Omaha, a Fortune 300 insurance company, she led the organization's comprehensive DEI and culture-shaping programs for over five years. Under her leadership the company received many accolades for their inclusive culture, including the prestigious Great Place to Work Award and the honor of being named one of Forbes' Best Employers for Diversity. Diversity Global Magazine named Angela one of 2020's Top 10 Women in Diversity and the National Diversity Council recognized her as one of 2022's Top 100 Diversity Officers.

Angela now serves as a DEI strategist, change architect, and trusted thought partner for forward-thinking business leaders who are driving meaningful change towards a more inclusive future.

Mindpower Strategic offers a full spectrum of strategy development, consulting and advising, learning experiences, culture-shaping and change management solutions.
