

Angela Cooper

DEI Thought Leader
Culture Strategist
Keynote Speaker

Inspiring Keynotes Ideal for groups of 100 - 1,000+

Empower + Energize

Shape a culture of empowerment where all of us can thrive.

Harness Your Power

Activate your full potential as a changemaker.

The Cultural CORE

Explore the power and potential of Employee Resource Groups.

The Power of RENEWAL

Protect against burnout and preserve your energy for what matters most.

What Clients Say

"Angela was amazing! Our team needed an excellent foundation for ongoing DEI work and she provided a thought-provoking base for that work. I highly recommend her to anyone looking to go to the next level in your DEI work."

-PARTNER, PUBLIC ACCOUNTING FIRM

Empowerment Labs Ideal for workgroups, cohorts and teams

The Power of GROWTH

Understand the neuroscience of unconscious bias and the power we all have to recognize, interrupt, and mitigate its impact.

Difference Dialogues

Spark conversation and challenge assumptions about the different realities we face across age, gender, and race.

Clarify Your Why

Equip your people to authentically express why DEI matters and how it really applies to their work.

Unworldly Advantages

A game that transports participants into a hypothetical future where they explore the impact of privilege on another planet.

Can't We Be Civil?

In polarizing times, we can all use thoughtful strategies to foster empathetic, respectful conversation about controversial topics.

The Power of Values

Articulate and activate the behaviors, practices, and protocols that make your values real in this highly interactive session.

Empower Your Future

Reignite your ambitions and empower yourself to grow your career.

RISE – Elevate Your Power

Learn power mapping as a tool to architect meaningful and lasting change.

ERG Empowerment

Explore tools to energize and equip ERG Leaders and Members.

RENEWAL Offerings

Customize a burnout prevention/recovery session for your team.
